

LASER – swivel office chairs

Swivel office wheelchair with high, upholstered backrest and synchronous mechanism with separate seat and backrest construction.

Product description

Mechanism: SYS - Synchronous drive with side adjustment

The SYS synchronous drive with lateral stiffness adjustment ensures perfect comfort and ergonomics thanks to smooth operation and optimal adaptation to each user. Seat even the backrest follows the movements of the seated person synchronously and at the correct angle with the possibility of arresting in 5 positions

Payload: 130 kg

Seat: PUR foam, thickness 50 mm, density 65 kg/m³, covered with fabric or leather.
The seat provides comfortable seating in the home position with a slight forward tilt for proper seating

Backrest: Ergonomically shaped high or medium-high full upholstery with 35 mm PUR foam, density 65 kg/m³ and coated with fabric or leather. The support is height adjustable in the range of 6 cm

Headrest: Full height upholstered headrest (for model 697-SYS)

Base: Five-arm stable cross ø 70 cm, nylon black

Castors: Hard double castors ø 60 mm, black, load-dependent, for soft floor covers. (According to DIN EN 12529)

Armrests:

- BR-540:** adjustable in height and width, black
- BR-550:** Adjustable in height, width and depth with side-adjustable PU elbow, black
- BR-550-N6:** adjustable in height, width and depth with adjustable side elbow PU, armrest N6 polished aluminum
- BR-590-N6 / XD:** multifunctional (adjustable in all directions - height, width, depth, swivel surface 360 °, metal body is polished aluminum
- BR-207:** height adjustable, black
- BR-209:** height adjustable, black, (N6 - aluminum armrest polished aluminum), soft PU elbow pads
- BR-210:** 3D adjustable armrests with soft armrests, black, (N6 - aluminum armrest polished aluminum)
- BR-785-N6 / N1:** aluminum armrests in polished aluminum (N6) or black (N1)
- BR-795-N6 / N1:** aluminum armrests in polished aluminum (N6) or black (N1) in combination with black polyurethane
- BR-796-N6 / N1:** aluminum armrests in polished aluminum (N6) or black (N1) upholstered in black leather
- BR-450-N6:** solid, polished aluminum armrests

Fabrics: Fabric collection

Options:

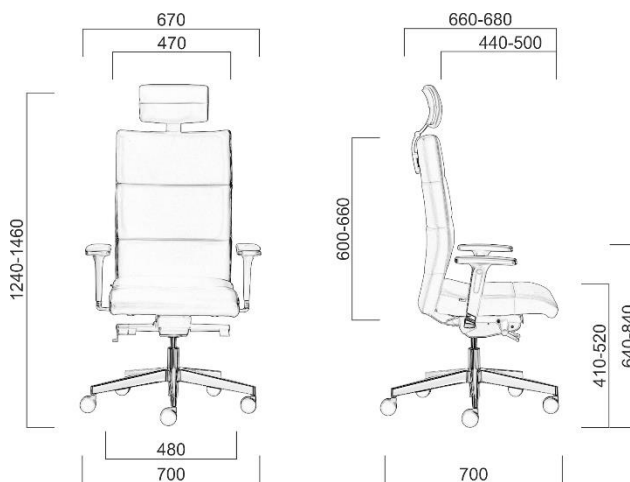

- F-40-N1, N2, N6** – aluminum cross black (N1), aluminum effect (N2), polished aluminum (N6)
